**Brief Summary of Selected Substantive Portions of this Response**

[0001] In a telephone discussion Tuesday, March 11, 2008, the Examiner indicated that the proposed amendments would overcome the § 101 rejections, but would have to more closely review the cited references and would potentially have to do another search. This response addresses the §§ 102 and 103 rejections.

[0002] This brief summary is not intended to represent the Applicant's full response to the Action. Rather, it is merely a brief summary of selected substantive portions of the response herein.
